

**DRAFT RESOLUTION 18-6**

**SUBJECT: CIVILIAN CREDENTIALS FOR MILITARY TRAINING & EXPERIENCE**

**SOURCE: NATIONAL HEADQUARTERS**

**WHEREAS**, AMVETS recognizes that it is in the best interest of our nation to have a strong and viable veterans' employment and training system in place. Unfortunately, the unemployment rate among our nation's veterans continues to be an area of intense focus and concern, much of which is related to issues of post-service licensure and credentials; and

**WHEREAS**, Congress has begun to recognize the fact that veterans of all eras, especially recently separated and older veterans, find it difficult to obtain meaningful, living-wage employment. The importance of licensing and credentialing, as an integral part of the overall veteran transition process, cannot be overemphasized; and

**WHEREAS**, while there are certain employment programs in place for veterans, such programs must have a pro-active, long-term career focus which, not only recognize the problems of licensing and credentialing, but develops workable solutions; and

**WHEREAS**, every year between 240,000 and 360,000 military members make the transition from military to civilian life and employment, and as the drawdown continues, more than a million service members are expected to transition over the next few years; and

**WHEREAS**, as a nation we need to be prepared to do our part to assist our transitioning service members with living-wage employment opportunities so that they become valued additions to our society and economy and are able to adequately support their families; now therefore be it

**RESOLVED**, that AMVETS should encourage Congress to engage in a national dialogue to include the Administration, DoD, VA, DOL, governors, state adjutant generals, employers, trade and professional associations, and licensing and credentialing entities, to establish a process so military training meets civilian certification and licensing requirements for states in which veterans choose to live once they leave the military.
