

DRAFT RESOLUTION 18-14
SUBJECT: MILITARY SEXUAL TRAUMA (MST)
SOURCE: NATIONAL HEADQUARTERS

WHEREAS, the continued prevalence of military sexual assault continues to grow and has been the subject of numerous military reports, Congressional hearings, documentaries and media stories. Military Sexual Trauma (MST) is a heinous crime which is a disgrace to all of those who have worn the uniform of the Armed Services; and

WHEREAS, DoD and VA have made progress towards developing and implementing a policy that creates a tangible, visible deterrent to perpetrators through consistent prosecutions or other severely negative consequences to one's military careers, both departments must commit to improving their Integrated Mental Health Strategy; and

WHEREAS, the effects of untreated MST can be devastating to the overall health of veterans and in the successful transitioning back into their families and communities; now therefore be it

RESOLVED, that AMVETS calls on DoD to continue to enhance its MST awareness programs, and calls on VA to continually improve its MST treatment programs and to disseminate evidence-based clinical practice guidelines to clinicians who care for veterans who have suffered from MST; and be it further

RESOLVED, that AMVETS calls upon Congress to continue its oversight and hearings related to military sexual trauma care and benefits with the goal of improving VA and DoD collaboration and improving policies and practices for military sexual trauma care and disability compensation.
