

WHY THE WHITE CLOVER?

The White Clover is the official flower of AMVETS.

The white clover is a perennial with trifoliate green leaves, stems that root at the nodes and white flowers. Occasionally, the plant produces a four-leaf aberration.

It is a four-leaf clover symbolizing the four states in which the four branches of U.S. Armed Forces were drawn.

Four leaf clovers can be found around the world and traditionally represent good luck for those that find them.

The White Clover is symbolic of the universal struggle for freedom.

It means

“Remember Me.”

Veterans Helping Veterans

What White Clover Donations are used for*:

1. To provide a service or item for a veteran in a VA medical facility,
2. To provide a service or item for a sick or hospitalized veteran not receiving care in a VA medical facility,
3. To provide support for volunteers for sick and hospitalized veterans, such as transportation and food,
4. To support the family or a sick or hospitalized veteran in their time of need,
5. To support AMVETS programming dedicated to serving sick, hospitalized, or homeless veterans,
6. To provide posts with the supplies necessary to service their local communities

*Please note, this is not an inclusive list. Funds are dispersed at the discretion of the post.

Putting People First:

At its heart, the White Clover Program is about connecting our Veterans to their communities . Through the White Clover Program, our AMVETS veterans are able to connect with their local communities and collect donations. These donations are then used to support and assist local veterans in the area in need, whether that means providing meals and transportation to a homeless veteran, funding an entertainment program for patients at the local VA medical center or helping the family of a local veteran support themselves.

We are Veterans helping Veterans.

Ways to Get Involved:

- Make a donation and receive a white clover! Proceeds go to AMVETS sponsored programs.
- Volunteer at a White Clover Drive with your local AMVETS post.
- Encourage friends and family members, community members, and your local community to support your local White Clover Drives.
- Reach out to surrounding organizations such as churches, youth groups, and other service organizations for volunteers and support.
- Hang up posters and pass out brochures around your area to spread the word about AMVETS' White Clover Program.
