

PROGRAMS DEPARTMENT NATIONAL AWARDS PROGRAM

**DUE TO THE COVID-19
THE 2020 NATIONAL AWARDS PROGRAM HAS BEEN CANCELLED.**

**Next year the 2021 National Awards Program application
will be online under a new venue.**

*What has your post and department accomplished during the past year that
deserves recognition?*

The Application process will run May 1st through June 30th annually. To apply for the awards, click on the designated link to start the process, that should not take long. The process will be straightforward and will allow you to upload certificates, letters, pictures, etc.

We see your reports and photos; we know you spend hours every week serving your communities and veterans through AMVETS' programs.

Focus on each category separately, allowing you to 'brag' on all you did for veterans, their families, and your community. You may submit more than one category, but each entry must be separate.

Example: You are submitting the JROTC award and the Americanism Award for the Department, both would require a separate application. This applies to the posts as well.

Watch for details in the National Programs' monthly Blast.

The application process will close June 30, 2021.

Awards will be presented at the
AMVETS National Convention in August.
