DRAFT RESOLUTION 17 - 30

SUBJECT: Replace the National Legislative Director with the Election of the National Third Vice Commander and Authorize a Standing Legislative Committee

SOURCE: AMVETS Department of Virginia

WHEREAS, there now exists a National Legislative Director and, following this year's election, a National Third Vice Commander for the purpose of legislative activities; and

WHEREAS, this creates an overlap of duties and responsibilities that can be corrected with the elimination of the appointed position of National Legislative Director, with duties subsumed by the National Third Vice Commander; and

WHEREAS, there would be a need to support this change with a standing Legislative Committee; and

WHEREAS, legislative activity is perpetual, diverse and necessary to the proper conduct of the organizational affairs of AMVETS; now therefore be it

RESOLVED, that the position of National Legislative Director not be reappointed and the standing Legislative Committee be established.
