CONSTRUCTING YOUR VIDEO

STEP 1
find a quiet space where you can speak louder than you normally would.

STEP 2
Hold your phone horizontally, framing yourself from the chest up.

STEP 3
Look and speak directly into the camera. Be yourself. You're gonna nail this.

STEP 4
Watch your video back, and roll out any kinks it may have.

STEP 5
Let us dig your video as much as you do, by submitting it to the posted link.
